

## LLOYD JARKOW JOINS HIBERNIA ATLANTIC AS CHIEF FINANCIAL OFFICER

**SUMMIT, NJ & DUBLIN, IRELAND – December 22, 2010** – [Hibernia Atlantic](#), the only diverse transatlantic high-bandwidth connectivity provider, announces today the appointment of Lloyd Jarkow to the position of Chief Financial Officer.

Mr. Jarkow is an industry veteran with 16 years of finance experience within international telecommunications. Mr. Jarkow has spent the past 13 years at AboveNet Communications, most recently as Vice President of Corporate Development. Prior to AboveNet, Mr. Jarkow served as Finance Director for Metromedia International Telecommunications. He holds an undergraduate degree from Cornell University and an MBA from UCLA Anderson.

“In light of our strong top-line organic growth, as well as the increased focus on M&A, we are delighted that Lloyd has joined us at Hibernia,” states [Bjarni K. Thorvardarson](#), CEO of Hibernia Atlantic. “Lloyd has in-depth experience in working with rapidly growing telecommunications companies and we are confident that Lloyd is the ideal candidate to lead our finance team and help us further grow our company.”

“Hibernia has taken an innovative approach towards delivering high-bandwidth connectivity throughout North America, the UK and Europe,” continues Mr. Jarkow. “The company has been successful marketing to new customer verticals and in its acquisition and network construction plans. It is an honor to join Hibernia during this exciting time and I look forward to working with the team to further position the company for continued success in 2011 and beyond.”

### **About Hibernia Atlantic:**

[Hibernia Atlantic](#) is the only American-owned, diverse transatlantic high-bandwidth connectivity provider and is owned by Columbia Ventures Corporation and Constellation Ventures Partners. It is a transatlantic submarine cable and terrestrial fiber network that offers over 100 redundant network Points of Presence (PoPs) throughout Canada, US, UK, and mainland Europe on over 24,000 kilometers of network.
